

Dear Supporter

## **9<sup>th</sup> Annual Charity Ambrose Golf Tournament - CanSurvive Dragon Boat Team**

### **Major Sponsor - Oil Intel and Total Lubricants**

Mark **Friday, 16 November 2018** in your diary for our 9<sup>th</sup> Annual Golf Fundraiser.

Get your team of friends, colleagues or random strangers together to be part of this Fun and worthwhile event.

Your support will help make a difference towards the rehabilitation of breast cancer survivors. Research has proven upper body exercise plays a significant role in recovery from breast cancer and prevention of lymphedema by improving the range of motion, reversing muscle atrophy and stimulating the immune system. Dragon boating is ideal as it entails strenuous, repetitive upper body exercise that leads to the challenge of competing in an explosive, exciting sport against others.

Our Cansurvive Dragon Boat Team is made up of women from Kapiti and the greater Wellington region who have chosen dragon boating as a form of rehabilitation after going through the gauntlet of treatments including surgery, chemotherapy and radiotherapy. We are an enthusiastic group of BC survivors from all walks of life and a wide range of circumstances. To ensure everyone has the same opportunity to participate we are committed to fundraising. The funds raised from this tournament will provide valuable support for all current and future members.
